anna

There had never been a storm like the one howling outside right now. Windows rattled and tree branches make scary shadows. Anna and Alex sat in the living room huddled together like there was going to be a catastrophe. But soon the winds died down and the rain stopped. Oh, what to do now. Apparently their huddling together for an hour has aroused the two nubile tenants. Anna and Alex get naked and into her flowery bed for an afternoon of anal hijinks. It all starts innocently enough...

BUTT PLAY IS SO MUCH MORE FUN AND SEXY IF YOU DON'T HAVE TO DO IT ALL ALONE.

First, some finger play into Anna's tight little sphincter. "Alex, use some lube," she squeals. Soon Anna has his cock in her mouth and is sucking it perfectly to his pleasure. Holding his cock, she guides it into her moist pussy and begins bouncing on it with her youthful exhuberance. And then it's butt time and he pulls her off his cock and the slowly pushes it into her tight little butt hole. Anna's done this before but this time it feels different. Maybe because she has feelings for Alex.

face as Mike's cock squirmed and thrashed inside me, depositing his load deep in my belly. His cream spewed into me, in one huge wad, then several smaller wads. He kept his cock buried deep inside me until it had quit jumping, then pulled out and stepped back.

"She's all yours," he said, gesturing to Keith.

I was nearly exhausted. But there was one more stud who needed to be satisfied. I stretched and then readied myself, waiting for him to move between my thighs. Instead he stood over me for a second, like he wasn't sure what he wanted to do.

"Roll over, sweet stuff. I'm not going to use that stretched pussy. I've got other plans."

My heart raced. I hadn't heard stories from any of my friends about taking it up the ass. But I was sure it wouldn't feel good. I hesitated, looking up into his hungry brown eyes. He looked like he had his mind made up, and I wasn't sure I was in any position to argue. So I rolled over and crawled into position, my ass-cheeks spread and my quivering sphincter exposed.

Somehow the flash of the camera made me feel a little better, a little braver. I readied myself for the oversized intruder, expecting the worst. Keith came up behind me and wrapped his arms around my waist to steady me. He rubbed his wet, sticky cock up and down my crack before aiming it for the tight hole in my center. He nudged against me, slowly stretching the tiny entrance to my body.

I groaned, then took several deep breaths. His fingers crept down to my wet slit, rubbing and teasing my sensitive bud, as his tool burrowed slowly into me. The sensation was strange, a mix of pleasure and pain as he filled my insides.

He stopped, letting me get used to the feel of his thick cock buried up my ass. Then he began to ride me—gently at first, with long, deep strokes. His fingers still played with my clit, bringing me closer and closer to climax. Then his pace shifted, and his strokes became short, quick jabs as he got more and more turned on.

Everyone looked on as his cock rammed in and out of my body. I wiggled and squirmed, pushing my ass back to meet each inward thrust. I wanted his cock buried balls-deep inside me. This was totally awesome. I knew I would come soon. My body was ready for the new sensations. I was hot, my body on fire. I couldn't hold back a second longer. I gave in to the most powerful, most incredible orgasm of my life. I nearly blacked out, I was so exhausted and overwhelmed.

Then Keith shot his load deep in my belly. I could feel his cock pulsating as each burst spewed into me. He kept his arms wrapped around me until he had finished coming, then let me go.

His cock slid from my stretched hole, leaving me empty and deserted. I dropped down on the couch, ready to sleep. Someone threw a blanket over me and they all disappeared.

When I woke, I was upstairs on a bed. I looked around, listening to the music and voices downstairs. The party was in full swing, and I had nearly missed it. I was pulling on my jeans and T-shirt when the door opened. Scott walked in, the other three guys following him.

I smiled, glad that they knew what a treasure they had discovered. I wanted to service them, then repeat the experience as often as possible. And the possibility of having a new class of studs next year made me even hotter!

Or at least not get caught doing it. She should have known that someday she'd caught in the act. But she's decided that if she does get caught, it will be with another woman.

As Diana stood up, Jan got behind me and quite deftly guided my cock to Diana's slick slot. Diana moaned as I pushed forward and she pushed back against me. She stood and took me by the hand and led me back into the bedroom. Jan followed and then took the lead. I felt her warm breath as her lips enveloped my cock and she easily slurped half of my cock into her mouth before she looked up at me. Her brown eyes sparkled at me as she inhaled the other half of my cock. I felt her throat contracting around my cock and after what must have been a minute or two, but felt like forever.

Diana pushed me down and straddled my hips, her hands deftly guiding my cock into her sweet wet snatch once again. She started first by just rubbing the tip of my cock against the swollen lips of her pussy, the feeling was wonderful and I found myself thrusting up to try and get inside of her sweet honey pie. When she finally lowered herself onto my hips, it was like I was sliding into a tub of warm butter. She rested there impaled on my cock for some time, and then I could feel her muscles start flexing and contracting around me.

I was delirious with the pleasure these women were giving to me. With Diana riding me, Jan climbed into the bed and straddled my face. I reached up and squeezed her breasts with my hands. She pulled my face deeper into her sopping wet pussy and my tongue extended to its fullest as she leaned forward and began kissing Diana. When she did Diana started to flex her hips grinding and riding up and down my cock. It wasn't long before I was spurting my hot cream into her wonderful, magical pussy. But that was not to be enough...

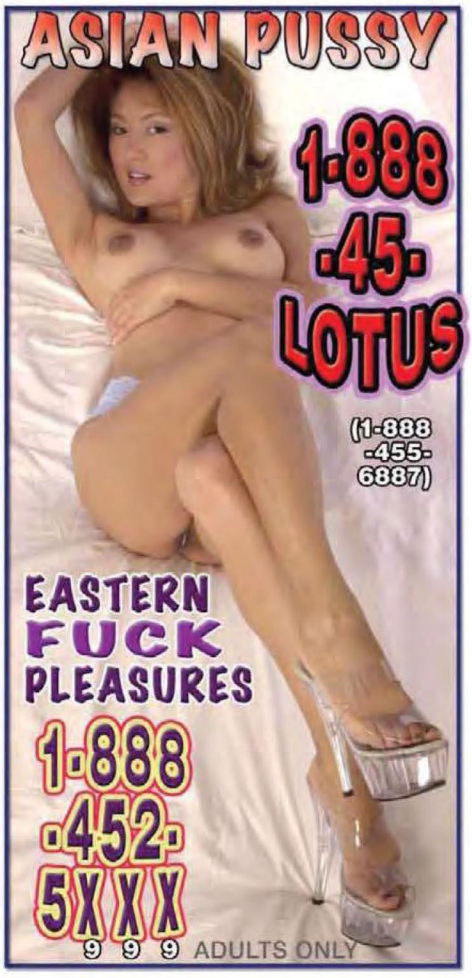

It was only seconds before I went from semi-hard to totally stiff as Jan's tight pussy got me going once again. She straddled me and leaned her body over mine, her nipples just grazing my face as she rocked up and down on my cock. I sucked and pulled on them with my teeth as she picked up her tempo until she was slamming her pussy down on my cock. I felt Diana's hands grab my balls and began massaging them fiercely and I fucked her friend.

Then I felt one wet finger slide into my butt hole and that sent me over the top. I bucked a couple more times with Jan riding me like a cowgirl. Jan gasped as I felt her pussy muscles contract around my cock and my own juices boiled over into her. She lay on top of me for several minutes my cock slowly sliding out of her, both of us spent. Diana laid next to us gently caressing my balls and slipping a finger or two into Jan's wetness.

Jan managed to stand up after a little bit and I could see some of my cum leaking out of her. She apparently felt it too and scooped some up with her fingers. With my milky goodness dripping down them, she shows them to Diana and says that this would go great with brownies! She tells me to get the rest of them. We were going to have us another chocolate frenzy.

Diana turned to me and opened my pants and pulled my cock out. She put one hand around my cock and the other girl put her hand on top of that. She leaned forward and took the head of my dick in her mouth.

Guys have always told me that I have a cute ass, so I'd wiggle it in front of them at frat parties. Little by little that became my trademark move and some of the guys wanted to explore it. But before I let them, I have to be comfortable enough with it so I did it first. I want you to watch me play with it. I want to spread my cute ass for you!

A. Xomax is 100% natural, safe and Doctor recommend for those looking for advanced penis enhancement, plus Xomax has no side effects.

Q. What makes Xomax the #1 natural penis enhancement formula?
A. Xomax has a highly effective proprietary blend of concentrated nutrients. These natural compounds are amazingly stimulating to the male penis. You won't find a stronger blend of nutrients in any other male enhancement product. The reason? Instead, th ey pass off less expensive ingredients, such a Ginseng or low end forms of L-Arginine.

Katrina admits that great sex is a way of life for her. Her sex drive is huge and she loves to get really into it, especially sucking big stiff cocks. She's so damn good at it that she amazes herself sometimes. Like today when she has two bigger-than-most cocks to play with today.And, ohhh, the taste of cum, yuuummy. I'd love to taste yours sometime, too.
